Chancellor

UW-Superior is located in the Northwest corner of the state on the shore of beautiful Lake Superior. UW-Superior offers 30 undergraduate majors in business, computers, education, science, mathematics, and humanities; 13 pre-professional programs; individually designed majors and minors; dual degree programs in engineering and forestry; graduate programs in education, communicating arts and visual arts. The educational experience at UW-Superior is enhanced by the small size of the institution and the low student-to-faculty ratio (16 to 1). Nearly 70 percent of UW-Superior classes have fewer than 21 students, allowing for one-on-one interaction with instructors.
