<i>UW-Whitewater</i>	6	5	4	7	7	7	4	7	7	54 pts. 1st - 7	14	7	21	1st

** The 2007 WIAC champion will be determined by using a combination of the regular season dual meet results and the conference tournament standings. The finish in the regular season dual meet standings accounts for one-third of the criteria, while the WIAC Tournament results account for the remaining two-thirds. Enter the number of points earned in each flight next to the corresponding total (1st place - 7 pts., 2nd place - 6 pts., etc). Add the number of total points in the conference tournament points column. Then determine the tournament team place and points multiplied by 2 (1st place - 14 pts., 2nd place - 12 pts., etc.). The top four teams following the conclusion of the WIAC Tournament will participate in a team tournament in the spring to determine the conference's automatic qualifier into the NCAA Division III Tournament.
